

Focus on the Fours

Week of May 13 , 2019

Dear Parents,

Happy Mother's Day! I hope the Moms were able to relax and enjoy the day!

Thank you so much to the special guests that were able to join the children on the River Cruise. I understand both groups were able to see dolphins. What a wonderful experience! I hope that everyone had fun.

The River Cruise was a culmination of an extremely busy week. We visited the Life Sciences Lab, Orthodontics, the cafeteria and the baseball field! I took a much needed nap on Mother's Day. I am guessing the children were pretty tired as well!

This is it... unless you are coming to Sum-Fun (there is still space available!) this is the last week of school! It has been an honor to witness your child's growth this year. Thank you for sharing your children with us, for your support and help and for being a part of the Wilma's Little People's School family. Please keep us updated throughout the years. We love to hear how our students are doing after they leave us... and we love to add to the alumni wall! I will miss every single one of them.

Have a Wonderful Summer,
Mrs. Dudley and Mrs. Flakus
