

New 2's News for March 6th

Dear Parents,

Good Morning!

We had a lot of fun on our indoor picnic with our special friends last week! This week we welcome spring by reading and singing about caterpillars and butterflies.

Please bring in a basket to decorate for our egg hunt. Some children add decorations to the same basket every year and by the time they are in the 4s class the baskets are very elaborate!

We will be reading one of my favorite books, The Very Hungry Caterpillar, by Eric Carle and learning one of my favorite finger plays, the Roll-y Poly Caterpillar.

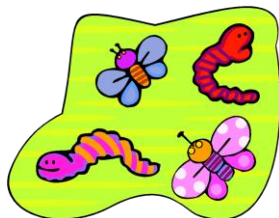

Wilma's Little People's School will be closed the week of March 9th for Spring Break, so there will not be class that Friday.

Sincerely,

Mrs. Henderson
