

## Twos News - September 14th & 16th

Dear Parents,

We had a great first week of school and I can tell we are going to have a great year! We have been working on learning the daily routine so our transitions can go smoothly. We have some awesome helpers at clean up time!

Everyone is doing an excellent job at circle time, participating in singing and learning the body movements to our circle time song. We also had a lot of fun reading *Moo, Baa, LaLaLa*, and making farm animal sounds together!

Please help us teach the children not to touch the doors for their safety. Please also apply insect repellent before school. The bugs are out and we are not allowed to apply the spray.

We will continue our farm unit this week and will add some new songs to circle time.

As always, feel free to ask any questions you may have and have a wonderful week!

Kindly,

*Mrs. Cortés*
