

3s Class News

September 13-17, 2021

We had a great first week of school. The children did very well adjusting to being in school and following a routine.

We had a great time learning about the primary color red. We found a lot of things that are red. We painted a picture of something red to start a book we are creating about the colors of the rainbow.

This week we will be learning about the other 2 primary colors, yellow and blue.

On Monday we will celebrate Margot's birthday. Happy birthday Margot!

On Tuesday we will celebrate Olive's birthday. Happy birthday Olive!

Please bring something yellow on Monday and Tuesday. Please bring something blue on Wednesday and Thursday

Books- School Bus by Donald Crews and Blueberries for Sal by Robert McCloskey.

Snack

Monday and Tuesday- Snack mix, yellow apple slices, apple juice

Wednesday and Thursday- Crackers with cream cheese, blueberries, apple juice

Friday- Snack mix, apple juice

Let's work at home: Discuss the 3 primary colors. Help your child look for things that are red, yellow and blue in magazines. Let them cut them out the pictures and glue them on a piece of paper to make a collage.
