

Focus on the Fours

Week of September 13, 2021

Dear Parents,

The first week went very well. We have spent a lot of time talking about our personal bubble and how to respect other people's space. We practiced by using hula hoops as cars and tried not to crash! We also talked about how we are alike and different and that each of them are unique and special.

 It is time to learn about apples! We will learn about the parts of an apple, how they grow and we will have an apple tasting later in the month. This week we will make apple sauce!

I am grateful the weather has allowed us to play outside every day. They love to be outside and they really seemed to enjoy the outdoor classroom on Friday.

Sincerely,
Michale Dudley
mdudley@ju.edu or wlps@ju.edu

Safety and Wellness

Please hold your child's hand walking between the school and your vehicle. The road in front of our school can be very busy.

We will learn to say the Pledge of Allegiance in circle time. Please let me know if you have any objections and we will discuss an alternative.

Our first JU Walk and Library Visit will be on Friday (Weather Permitting)

We will learn how to take care of these special books and your child will select one each Friday to take home for the week.

Please return the library book every Friday in the red WLPS bag.

I hope that you enjoy reading these books together!

 SCHOLASTIC

 **The magazine that your child brought home Friday was the first of the mini magazines that they will receive this year. These magazines integrate with our themes and lessons. Their first magazine was about trying new things! We hope you look at them together and they share what they have learned with you.**

Fours Snack Menu

Week of September 13, 2021

Monday

Snack Mix and Apple Juice

Tuesday

Apple Trees and Apple Juice

Wednesday

Birthday Muffins and Apple Juice

Happy Birthday Jamie!

Thursday
