Rising Fours and Kindergarten Prep

On the Banks of the Wide St. Johns

Dear Parents,

I hope that you have heard good things about our first week of Sum-Fun! We have been busy learning about the St. John's River and creating a mural of river animals in the hallway. There are a lot of alligators and manatees! The children did a great job on our walk, even though it was VERY hot. We did get to see a pod of dolphins!

We will finish decorating bucket hats and have another special project in the works this week. Water play day will close out our 2022 Sum-Fun Session on Friday.

I hope that you have a wonderful summer enjoying the love, laughter and adventurous spirits of these wonderful children. To our Kindergarten Prep students, I will miss you in the fall! Hint, hint... we love it when we those first day of school photos are shared with us! 😊

Sincerely,
Michale Dudley
