

# WLPS Parent Signature Form

## **Photo/Video/Print (including Facebook, Instagram) Consent &**

**Release** - During the year there are times when photos may be taken during class activities by WLPS Faculty and/or JU students or by JU Public Relations' personnel for publications concerning Wilma's Little People's School or Jacksonville University.

**No names will be used** in any publication. If you agree for you and/or your child to be included in these photos, please sign below.

**Child under 18 years of age** - The parent or legal guardian of \_\_\_\_\_ gives permission for this child to be photographed. I give permission for this child's photo to be used in publicity materials for JU, including the website and social media. I understand that this child will not be paid any royalty or other compensation; and I give up any right this child may have to payment if their photo/video is published.

**Child's Name** \_\_\_\_\_

**Parent/legal guardian** \_\_\_\_\_

**Signature** \_\_\_\_\_ **Date** \_\_\_\_\_

**Class List Approval** – We must have parent permission to give names, addresses, phone numbers and email addresses in the form of a class list. Please sign below to allow us to share your child's contact information with his/her classmates.

**Parent/Guardian Signature** \_\_\_\_\_ **Date** \_\_\_\_\_

The Florida Department of Children and Families requires that we notify you of the following important information.

Please sign below as acknowledgement of each item.

- **Bug Repellent/Sunscreen Acknowledgement** – DCF recommends that children have on bug repellent when playing outside, because of the concern for the West Nile Virus that can be carried by mosquitoes. We encourage you to apply bug repellent and sunscreen on your child before they come to school. We do not put bug repellent or sunscreen on children at school. It is important to use a UVB/UVA sunscreen with SPF 15 or higher to protect your child.
- **Animal Notice** - DCF requires we inform you of any animals at WLPS. We have fish, frogs, toads in aquariums/terrariums, and the occasional insect in or screened box or jar. These living things are important parts of our Florida and Environmental units. We know, too, these animals have a calming effect on our children and help to teach them to look at detail.
- **Field Trip Permission** – DCF requires signed forms for any venture outside our fence. This includes walks around campus, visits to the library and any other “field trips”. All of our adventures will be on the Jacksonville University campus (no transporting of children).
- **No Smoking** – Smoking, including e-cigarettes, and vaping is prohibited on the premises of WLPS. Jacksonville University promotes a smoke-free academic environment both within buildings and along campus pathways.
- **Party Food Permission** – DCF requires parent permission for children to eat food that may not be on the regular snack menu, but that may be served at holiday parties (inc. Halloween, Thanksgiving, Christmas, Valentine’s Day, Easter, and the Leaving Ceremony), food grown in the WLPS garden, food involved in learning activities, and birthday celebrations.
- **Expulsion Policy** – Per DCF instructions, we must have and make available information about our policy concerning expulsion. It is located on our website under [Parent Resources/Forms/Expulsion Policy](#).
- **Distracted Adult Flyer** – Per DCF instructions, we have made available information about distracted adults and how to keep children safe in and around vehicles. It is located on our website under [Parent Resources/Forms/Distracted Adult](#).
- **Influenza guide for parents** – Per DCF instructions, we have made available information detailing the causes, symptoms, and transmission of the influenza virus. It is located on our website under [Parent Resources/Forms/Influenza Awareness](#).

**I have read and acknowledge the above information.**
