

3s Class News

November 13-17, 2023

We had a great time this month talking about harvest and Thanksgiving. On Wednesday and Thursday we will be having our Thanksgiving feast with the other classes. We have learned several new songs this month that we will share with them at the feast. We will have chicken, mashed potatoes and corn. This week we will celebrate Sophie's birthday. Happy birthday Sophie!

**Just a reminder that there will be No School next week.
We hope everyone has a wonderful Thanksgiving
holiday.**
