

“A Little News”

February 2024

We love our WLPS Families!!!

Bricks are still available to buy for someone you love. See form on the back.

We continue to be very appreciative that our families are considerate of the health of all our students and faculty. If your child is showing any signs of being ill, please refrain from sending them to school. They must be free of a fever and symptoms for 24 hours before returning.

DCF requires that we keep a log of absent children. Please call or e-mail us when your child is absent for any reason.

Thank you for keeping your child's health records up to date!

Skidamarink Song

Skidamarink a dink a dink.

Skidamarink a doo.

I love you.

Skidamarink a dink a dink.

Skidamarink a doo.

I love you.

I love you in the morning.

And in the afternoon.

I love you in the evening.

And underneath the moon. Oh!

Skidamarink a dink a dink.

Skidamarink a doo.

I love you.

Help Needed, please!

- We love that our children enjoy books! When using the Free Little Library, please remember the system "Take A Book, Leave A Book"!
- DCF asks that all children's water bottles be clearly labeled with the child's name.
- We're glad that children want to have extra social time after school, but safely please! Children playing in the front yard after school must be carefully monitored by you. Please keep children from sitting on or jumping off the top of the Picnic Table and running/playing with sticks. Our front yard is by a very busy street, so please be careful of children near the fence.
