School April 1

Please send in a

Hat and Basket

for your child to decorate
for our celebration! They
do not need to be new.
You may want to look at
the dollar stores. You are
welcome to
send in their
basket from a
prior year.

Dear Families,

Welcome back! I hope you enjoyed a fun and relaxing spring break! This week the children and I will begin preparing for our Spring Celebration. We hope you join us on March 28th.

WLPS has been helping the JU Doctoral Occupational Therapy (OT) classes by allowing them to evaluate and work with our students. The children love this playtime with their JU student friends! Communication with teachers and parents is also an important aspect of this process. If your child has participated, we would like to ask you to join in a meeting with the JU student, instructor and me regarding your child's evaluation and experience. This can be in person or via a video or phone conference. Any of which will be invaluable to the JU students. I will contact you with the date and time of your conferences soon.

Sincerely,
Michale Dudley

We are so grateful to our partners in the OT department for a great Spring Festival with fun and enriching activities!

The children love their OT friends!
