

# 3s Class News

## April 22-26, 2024

This week we will continue talking about animals that come from eggs. We will be talking about reptiles- turtles, lizards, alligators, crocodiles, snakes and chameleons.

We will do a snake painting and choose a reptile to paint for our book.

Now that the weather is getting warmer, we will be getting our water table back out.

Please make sure your child has extra clothes in their cubby, as sometimes we have so much fun in the water that our clothes get wet. Also, mosquitoes have returned. You may want to make sure your child has on insect repellent.

**Books:** The Greedy Python and The Mixed Up Chameleon both by Eric Carle.

### **Snack**

**Monday and Tuesday-** Snack mix, apple juice .

**Wednesday and Thursday-** Pizza dough snake, apple juice

**Friday-** Snack mix, apple juice

**Let's work at home:** The zoo has several reptile houses with a wide variety of reptiles to see. In the Wild Florida section you can see reptiles native to Florida.
